

PT-031 PT-041

Air Agitator Clamp Type

The air agitator is equipped with 1 HP Powerful tri-valve air motor. Offering higher torque at lower speeds for efficient mixing work at heavy viscous materials. Spark free.

Specification

Model	Power (HP)	Free Speed (R.P.M)	Gear Ratio	Suitable Litre	Shaft Size Dia / L
PT – 031	1 / 4	2,700	1:1	20	12 / 290
PT – 041	1 / 12	5200	1:1	20	08 / 345
